Academic responsibilities

A. Pedagogic responsibilities - University of Orléans - Faculty of Law, Economics and Business

1. **Co-director (and co-founder)** of the Master in International Economics, 2018-

The Master in International Economics (IE) program was launched in September 2018. I played a key role in its creation and development, contributing significantly to both its curriculum and its promotion and visibility. This program, conducted entirely in English, offers both professional and research tracks.

2. Member of the academic team of the Master in Finance, 2013-2019
4. Member of the pedagogic team of the Master ESA (Applied Econometrics and Statistics), 2013-2019
5. Supervision of internships for the Professional Bachelor's Program in Banking (2-3 internship reports/year), 2013-2019

B. Other responsibilities - University of Orléans

2. **Head of International Relations (Erasmus)**, Institut d'Economie d'Orléans (IEO), Faculty of Law Economics and Business, 2013-2017

I established numerous new Erasmus + partnerships with foreign universities. My tasks also implied: selecting the Orléans students in economics and management who applied for an Erasmus mobility, validating the courses chosen by incoming Erasmus students and proposing an 8h-teaching load to foreign professors joining the Orléans Department of Economics within Erasmus exchanges.
